248 15th Street

Tell City, IN 47586 (812) 547-7051

Federal relay system for the deaf and
hearing impaired: 1-800-877-8339

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, sex, religion, age, disability, sexual orientation, marital status, family status, status as a parent (in education and training programs and activities), because all or part of an individual's income is derived from any public assistance program, or retaliation. (Not all prohibited bases apply to all programs or activities.)

If you require this information in alternative format (Braille, large print, audiotope, etc.), contact the USDA's TARGET Center at (202) 720-2600 (Voice or TDD).

If you require information about this program, activity, or facility in a language other than English, contact the agency office responsible for the program or activity, or any USDA office.

To file a complaint alleging discrimination, write USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410, or call toll free, (866) 632-9992 (Voice). TDD users can contact USDA through local relay or the Federal relay at (800) 877-8339 (TDD) or (800) 845-6136 (in Spanish). USDA is an equal opportunity provider, employer, and lender.

You may use USDA Program Discrimination Complaint Forms AD-3027 or AD-3027s (Spanish) which can be found at: http://www.ascr.usda.gov/complaint_filing_cust.html and http://www.ascr.usda.gov/es_us/sp_complaint_filing_cust.html or upon request from a local USDA office.

Hoosier National Forest Fishing Pond and Lake Guide

This fishing guide will assist you in locating lakes and ponds, on Forest Service property, that are maintained to provide recreational fishing opportunities. We will get you close to the fish but you must catch them! Over 35 pond & lake locations on both the Brownstown and Tell City Districts are covered in the guide. It includes boat ramp and pier information as well and what you might catch.

Ice fishing is allowed but be cautious of thin ice. State regulations on fishing are enforced on National Forest lands, requiring either a resident or non-resident license. Only electric motors are allowed on Forest Service lakes (Gas motors are allowed on Lake Monroe). If you have any further questions, please contact either Hoosier NF office.

Other fishing Spots:

Lake Monroe (10,750 acres) has a launch ramp for boats at the Hardin Ridge Recreation Area. Lake

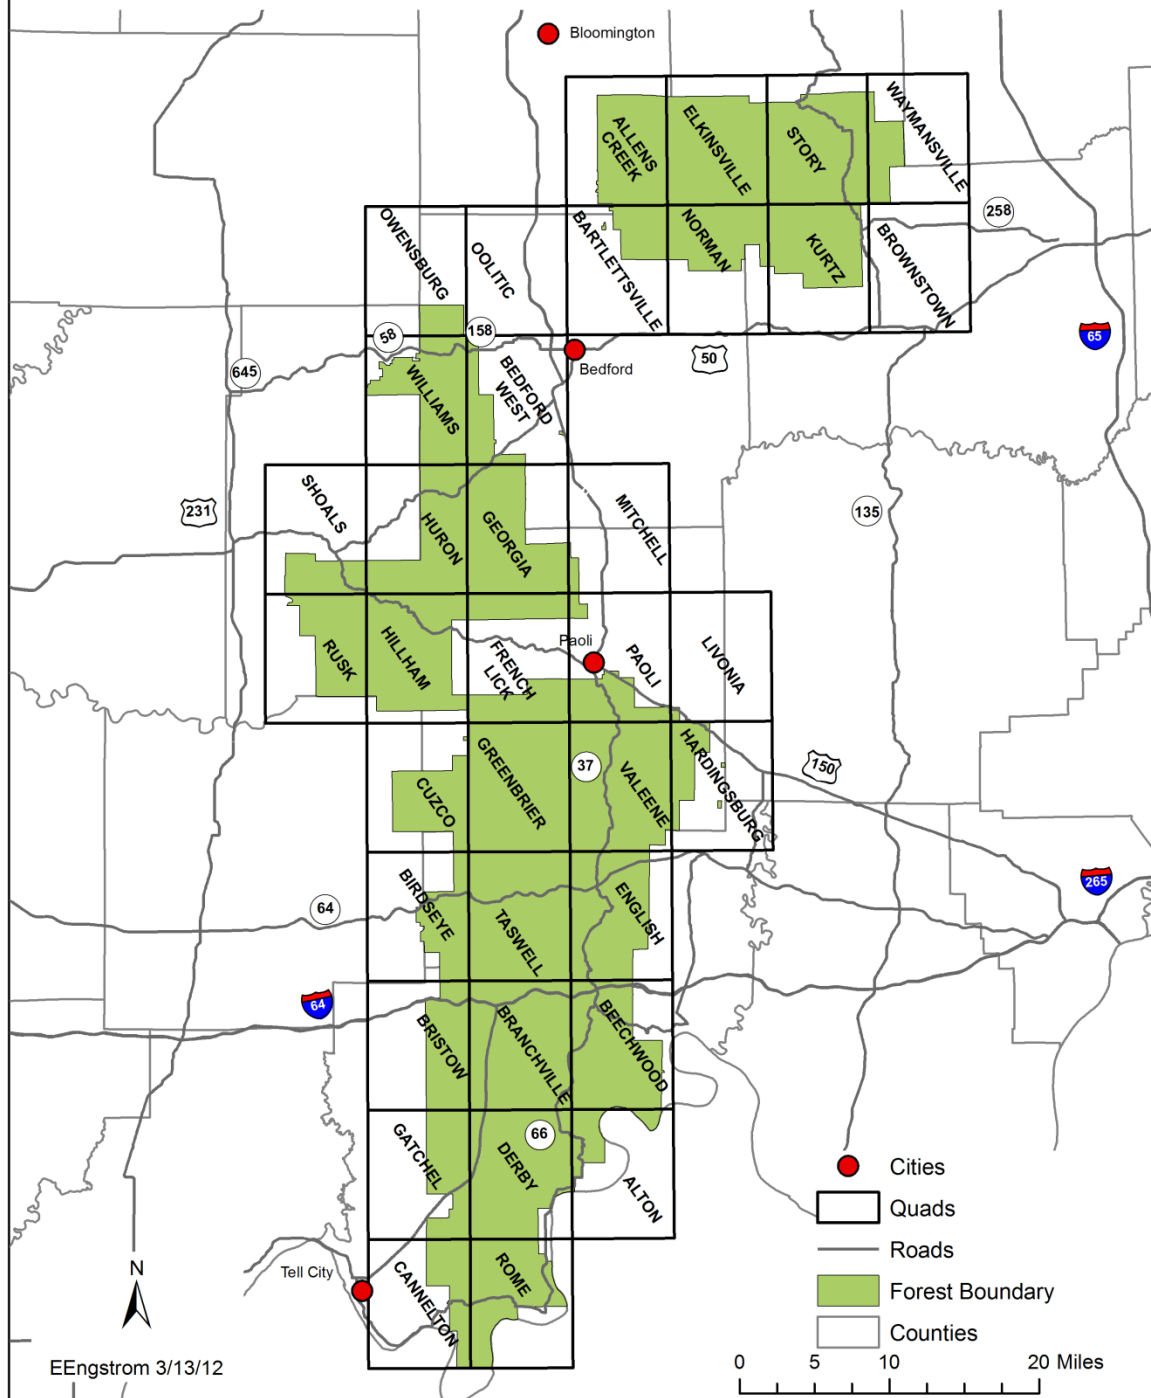

Monroe has several miles of lakeshore fishing and is an excellent fishing resource.

A boat launch, toilet facility, and parking area are provided at Mano Point on the Ohio River.

Other rivers on the Forest are Lost River and Little Blue. Although neither of these rivers have boat access points, each can provide many miles of good fishing opportunities. When accessing these waters, be aware that private land is intermingled with National Forest land and be careful not to stray from public land.

The key below will aid in determining public property from private property. The quadrangle name is on each map if you would like to obtain the entire topographical map.
